

Hi Everyone!

The CREW committee is trying to get a list of student events together for this year so staff members can plan to attend events with one another. We would like to know the best event we should be sure not to miss this year from your organizations. If you could please share your suggestion(s), I'm happy to put your ideas on our list! If you happen to know the date of your events, please email those to me as well. Otherwise, I'll do the best I can to find them on the master calendar. If I'm missed any non-sports activities on this list, please let me know.

Thanks so much for all you do!!

Melissa
